

COUNCIL CAMPOREE
“SCOUTING ADVENTURE and FUN”
MAY 16-18, 2014
MAMMOTH PARK

Mark Kardos, Council Camporee Chairman is excited to announce the Council Camporee to be held May 16-18, 2014 at Mammoth Park. Mammoth Park is located in Mount Pleasant Township, Westmoreland County on Route 982. A Council Camporee is held once every four years for all youth members, leaders and parents. Boy Scouts and their leaders will arrive at Mammoth Park on Friday May 16th and camp both Friday and Saturday nights. Parents and Guests will join the Camporee on Saturday, May 17th to view all the fun and excitement. The event will conclude Sunday morning, May 18th.

A Council Camporee is a special event with nearly 750 Scouts and Leaders in attendance that a Scout may only experience only once or twice in his Scouting Experience. Make plans now to participate in this Camporee now!

“SCOUTING ADVENTURE and FUN”

This is the theme for this Council Camporee. On Friday Troops will check in and we will have an Opening Campfire.

On Saturday the program will consist of a “Show and Do” starting at 9:00 a.m. and continue until 4:00 p.m. Troops will demonstrate an Activity that they do in their unit (see list below). During the same hours each Troop will participate in 3 activities at scheduled times. The Activities will be an Obstacle Course, Canoeing, and a Challenge Course.

Saturday’s evening program will be a Closing Campfire and conclude with Worship services.

Registration and Fee

Registration forms will be provided for each Troop. Registration Deadline will be Friday, May 2, 2014. The cost to attend the Council Camporee will be \$ 10.00 per youth, adult leader. There will be no meals provided; units will cook all meals in their Campsite. To earn the Camporee Patch included in the fee a Scout must participate in all 3 Activities, visit the Show and Do, attend both Campfires and attend 1 of 3 Worship Services. There will be a Camporee Trading post that will have Hot dogs and snacks available throughout the day.

Camping

There will be camping for Boy Scout Troops Friday and Saturday evenings in their assigned Camping areas. We ask that Troops use propane stoves for cooking as much as possible. A Troop may bring firewood to use, but it must be taken home at the conclusion of the Camporee. When building a fire remove and save the sod and replace it when you leave the Camporee.

Medical Forms

Every participant adult and youth needs to have a copy of a Class 1 medical form to present at registration. Please make a copy for your records, as no forms will be returned. A trained Medical staff will be on site of the Camporee to handle Medical emergencies. .

Rules and Regulations

The Boy Scout Oath and Law will our guidelines for conduct during the Camporee

List of Suggested Show and Do Projects
