Below is a list of potential unit fundraisers that you may want to look at to gain additional funds for your unit to help with the recharter process in early 2020. Please note that none of these are endorsed by the council but this list has been compiled from talking with units, volunteers and from our staff. The council is also exploring another council wide fundraiser that would take place in the first half of next year.

Christmas Wreaths
mickman.com - 800-446-4229
