Before You Go!

CONESTOGA

Before You Go

Before you go to camp, certain promotional materials and information should be shared with the Scouts and their Parents. This can take place in many ways and forms. The basic reason for this kind of activity is to keep everyone informed, excited, and prepared for the week ahead. Youth need to know what to bring, what activities to prepare for, and which Merit Badges are being offered. Parents need to know how much camp costs, when it will be, where it is, how to send mail and how to get in touch with someone in case of an emergency. Scoutmasters need to know all of this and a lot more.

Many troops hold parent's information meetings a few months before camp. This meeting can take place at a Court of Honor, a committee meeting, or in place of a regularly scheduled troop meeting. If your troop has a newsletter, you should also put constant reminders about camp in there as well. It is here that the details of the camp should be presented to the parents. This will help you and your Scouts who haven't been on a campout or haven't been away from home. Questions and answers will most likely take most of the time. But don't panic if you don't know the answers. It is important to read this Leaders Guide from cover to cover so that you understand Camp Conestoga and all it has to offer, if you still do not know the answer, assure the parents that a reply is just a phone call away. You can contact the Westmoreland-Fayette Council Service Center at 724-837-1630 Extension 306 for any questions pertaining to camp.

Camp Standards

It is expected that Scouts and Scouters live up to the Scout Oath and Law. A good camper always maintains high standards of personal conduct, safety, courtesy, and conservation. Therefore, scouting units must observe the following minimum camping standards.

National Camping Standards

1. **All SCOUTS, LEADERS, AND ANY ADULT** attending camp must be registered in a troop prior to camp. No Cub Scouts or siblings may attend, even if camping with a parent.
 2. Liquid fuels and liquid burning equipment may be used under adult supervision; liquid fuels must be stored in a locked cabinet under adult control for safety. **THIS IS MANDATORY FOR SAFETY.**
 3. Ammunition, rifles, and archery gear may not be brought into camp by Scouts or leaders for safety reasons.
 4. Park cars, trailers, and campers in designated areas only; help in conserving campsites, minimize traffic.
 5. The only tents authorized to be used for any purpose in camp are those supplied by the camp. Exceptions are for those taking Camping Merit Badge or as approved by the camp director.
1. All units must provide at least two adult leaders to be in camp at all times in order to attend camp. Both adults must be at least 21 and both must be registered with the Boy Scouts of America. Units unable to provide two leaders must make arrangements with another Unit. The camp is not responsible for assigning additional leadership. If you are having difficulties in finding adult leadership, contact your District Camping Chairman **BEFORE** you leave for camp.

**Vehicles belonging to leaders and visitors must be parked in designated parking areas.
Roads through campsite and program areas are restricted to service vehicles only.
This is a National Camping Standard set forth by the Boy Scouts of America,
and the Pennsylvania State Park System.**
