

Anything That Floats 2024 Rules

1. All participants MUST have current Scouts BSA Swimmer classification (Red, White, & Blue)
2. All participants MUST wear a properly fitting lifejacket
3. The craft **must** be constructed at Camp Conestoga
4. Only tape, cordage, rope, etc... may be used to assemble the craft
 - a. NO nails/screws/staples
5. The craft may not be of commercial design/build
6. The course will start at the boat dock, cross the lake to Col Bowie and return to the dock
 - a. At no point may one team interfere with another team
 - b. No causing their craft to sink due to direct action (do not ram or intentionally sink other vessels)
7. All participants must remain on the craft for the entire duration of the crossing
8. All craft must be removed from the Aquatics area/lakefront before curfew on Monday night. (Failure to do so will result in forfeiture of participation points towards camp spirit award and ineligibility of troop members to participate in the swamp-a-thon on Tuesday)
9. The decisions of the Aquatics staff are final!
