 - You will be sharing your campsite with one or more troops, and possibly another Pack

 - There will be an opportunity for each troop to present its “story” to all of the campers, so come prepared with questions!
- There will be limited electricity in camp
 - Hot and Cold water will be available in the Hill shower house
 - A lantern/flashlight is recommended for nighttime
- You will be setting up your own tent
 - Consider this the first “session” of camp; plan to pitch your tent even if you can’t stay the night
 - Your host troop(s) will have a designated area for Webelos/AOLs’, leaders’, and parents’ tents
 - Be sure to follow all BSA requirements for leadership assignments, tent assignments, etc.; Note that Troop members may not share a tent with a Webelos/AOL due to age gap concerns
- A session schedule will be available at Registration
- Plan to depart Camp Conestoga by 11 AM on Sunday, September 15
- More information is available in the Camp Guide
