

Facilities

Camp Conestoga prides itself by offering Scouts and Leaders some of the finest facilities. This section has been created to help the Leaders and Parents who may not be familiar with Camp Conestoga and all it has to offer.

Housing

All Scouts and Leaders will be staying in Boy Scout issue wide wall canvas tents on wooden platforms. Campsites are equipped with a certain number of tents and platforms based upon the total number camping, with 2 Scouts assigned per tent. Depending upon the overall camp attendance for the week some leaders may be required to share tents. There are 2 metal cots per tent. It is necessary for all campers to bring cardboard or some type of padding to separate their sleeping bags from the metal springs.

There is a pavilion, picnic tables, fire circle, and bulletin board located at in each campsite. Running water and shower houses are located near each campsite. Your campsite will be your home while you are at camp. You are expected to keep it clean.

There will be no moving tents within the campsite!

Shower Houses and Rest Rooms

Shower and rest room facilities are located in each area of the camp. There are separate sides for both male and female. Flush toilets and electricity are available in each of the shower houses. It is advisable the all campers bring footwear for the showers.

Dining Hall Procedures

Each Troop will check-in with the Dining Hall Steward on Sunday afternoon during the camp orientation. Each troop will be given a seating assignment and will be given instructions on mealtime procedures and waiter responsibilities. All meals will be served in family style. Camp Conestoga's Kitchen is staffed by a qualified food service staff. Leaders are encouraged to lend a helping hand to troop waiters when necessary.

Other Amenities

You will find that Camp Conestoga is not your ordinary Boy Scout Summer camp. Our camp has many facilities for Scouts and leaders to use during their stay. Some of them listed below.

- Swimming Pool
- 6.8-acre Lake with canoes, rowboats, sailboats and paddle boards. Stocked with fish annually.
- 50ft Climbing and Rappelling tower with Zip Line
- Low Elements COPE Course
- Modern Rifle and Shotgun Range
- Sand volleyball courts
- Archery range
- Handicraft building complete with potters wheels
- Scoutcraft and Nature pavilions
- Laurel Hill Creek for FLY FISHING ONLY!
- Fully stocked Trading Post
- Hiking trails

Camp Inspection & Conservation

Off Limit Areas

For safety reasons, certain areas of camp are OFF LIMITS. **Short-cutting through other campsites is not allowed.** NOTE: Campsites on Ruth Rhoda Lake have a 5-foot area designated as a walking or fishing area from the lakes edge that is not part of the lake front campsite. **Staff areas are off limits to all campers.**

Pets

Camp Conestoga abounds with natural wildlife. Scouts, Leaders, and Parents are asked not to bring any pets from home to camp.

Camp Improvement Projects & Conservation Projects

Part of your campsite inspection will include points for improvement and conservation projects. If you plan ahead, you can do a project that will have impact on camp for years to come. For suggestions see our Nature Director, or Camp Ranger. Units are encouraged to bring items with them from home that could help them improve the camp. (Ex. Tools to do a certain job)

Fires

All Troops can have nightly campfire in their sites *as long as weather permits*. However, please DO NOT bring firewood to camp. Bringing firewood to camp increases the possibility of transporting invasive species. Hemlock Woolly Adelgid, Emerald Ash Borer, and the Asian Longhorn Beetle are all species that could have disastrous effects on camp's ecosystem which is part of the Laurel Hill State Park. State Park officials also advise against bringing firewood into the park. Please obtain-your firewood locally. We have been lucky thus far to avoid the invasion of these pests. Let's keep it that way. We must also remember that we are not permitted to cut down any trees.

Trading Post

The Trading Post sells a wide range of supplies, including merit badge material, merit badge books, Scouting equipment, camp T-shirts, patches, handicraft supplies, and snack food. All handicraft and space exploration materials will be available for sale in the trading post. The Trading Post is open every morning and afternoon and on several evenings during the week.
