

Backpacking 101

Saturday, April 4, 2020

Camp Tenacharison

1PM to 4PM

The Westmoreland Fayette Council High Adventure Committee would like to invite all Scouts and Scouter to attend an event entitled Backpacking 101. The purpose of this training will be to introduce you to backpacking and cover topics that include: Types of packs, stoves, sleeping bags, what items are a must have to backpacking and what items would be nice.

All participants are encouraged to bring their backpack packed with the items they think they would need to go on a backpacking trip because there will be time to discuss and review as well as go on a mini hike.

There will also be a short presentation on the Laurel Hiking Trail as well as BSA's Philmont High Adventure Base.

Although there is no cost for this course we need everyone to register by Wednesday, April 1, 2020 so we can be prepared. Please fill out the reservation form below and submit the Westmoreland Fayette Council Office.
