

Bring a Friend Cards

This allows your current Scouts to take an active role in recruiting. No one knows better how much fun Scouting is than the boys who are already involved. Using Bring a buddy cards can satisfy your Scouts desire to help.

What You're Going To Need:

- Bring a Friend Cards (Printed cards on Business card stock)
- Energetic Cub Scouts willing to talk to their friends about Scouts.

How You're Going To Organize This:

Have your most energetic Scouts distribute the business card sized bring a Buddy Cards to all their friends or other youth in school, sports teams, Sunday School or other activities.

This method has the largest impact on other youth, because it's personal and from a boy who goes to school or participates in another activity with another Scout. Who better to promote the FUN of Scouting than another Scout. This method of distribution can be partnered with a Wear Your Uniform to School Day Starter.
