

Library Story Time

This is great way for Scouts to reach out to other boys in the community by having the Cubmaster or another Leader take up the local story time in your community library. Most libraries have time where Adults and read to youth, and what better then an Adult Leader in Uniform handing out flyers to youth after telling a good Scouting Story or reading from a Scouting type book.

What You're Going To Need:

- Leader willing to read at the local library
- Boys Life Mini-Mags with Pack information stickers on cover
- Bookmarks (Available from your DE or printable from your USB Drive)
- Coloring/Activity Books (Available from your DE or printable from your USB Drive)
- Flyers about Pack Joining Event

How You're Going To Organize This:

Ask your local library if your Scouts can participate in their Storytime. Have your Scouts read to younger kids while in Uniform, or an Adult Leader. Leave each participant with a Boy's Life mini-mag with a sticker on it with Pack contact information.

A variation to the above method is to ask if your older Cubs can read to K-2 students during school. Make sure you leave Boy's Life mini-mags with all students.
