

Public Market or Carnival/ Community Events

Great way to get Scouts out in their Communities, and show that Scouting is still thriving and relevant in our local Towns, Villages and Cities.

What You're Going To Need:

- Parents willing to coordinate events (Public Market, Community Festivals, ect)
- Boys Life Mini-Mags with Pack information stickers on cover
- Bookmarks (Available from your DE or printable from your USB Drive)
- Coloring/Activity Books (Available from your DE or printable from your USB Drive)

How You're Going To Organize This:

Have Scouts and Adults attend the event in Uniform so they stand out in the crowd. Make sure to provide them with flyers to hand out inviting youth to the next Pack Event. Scouts need to be talking to other youth and talk about the fun they have in Scouts. Make sure the Parents have detailed information to pass along to potential families, that includes; Who to contact in the Pack for more information, meeting dates, times and locations, and upcoming Pack Activities. Other great resources to have on hand are Parent Advocate Cards, Pack Parent Guides, and Boys Life Mini-Mags.
