

Visible Community Service Project

This is a great way for Scouts to learn about giving back to their communities, and to promote Scout values to our youth and our communities.

What You're Going To Need:

- Leader to coordinate a Visible Community Service Project
- Lawn Signs promoting your Joining Event
- Flyers about Pack Joining Event for anyone who stops to chat about what your doing.

How You're Going To Organize This:

Talk with other organizations in the community to find projects the Pack can participate in. Chartered Organizations, food pantries, homeless shelters, clothing closets, etc., are great places to start. Have Scouts and Adults in Uniform at the Service Project and talk to families and passers by as they work.
