Dear Scout Leaders:

When you bring your units to Camp Conestoga you expect a great program delivered by the standards of the Boy Scouts of America. You want a knowledgeable staff that not only will teach the BSA standards but practice the 12 points of the Scout Law in front of your Scouts. Our staff will strive to teach as many outdoor skills as they can through the merit badges we offer, so the youth can use them along their Scouting Trail. I truly believe “what we learn today, we teach tomorrow”.

We are no exception to the “what we learn today, we teach tomorrow”. I strive to take the input that your Units give us at the end of your week to better the camp each year. So, with the input you have provided, we have added some changes and tweaked the Pathfinder program, Evening Program, and added a few New Merit Badges to camp for 2022! I hope you notice the changes and continue to provide great feedback as we keep growing the camp year to year!

Since I first got involved with the Boy Scouts of America as an adult, I have been pulled into the wonder and adventure it has been offering for decades. I have taken as many classes as I can to ensure I can teach the values of scouting to those young people we lead today. I am excited to lead our great staff on this summer’s journey to help you and your youth make great and long-lasting memories.

Since 1949 Camp Conestoga has been allowing our staffs to help create those memories. Unit leaders have been bringing their units to create memories and those memories help the youth and leaders keep the Units growing and coming back each year.

I pledge to ensure the staff gives you and your youth the attention and care you all deserve and to have a fun filled outdoor learning experience.

See you at camp,

Paul A. Rock

# The Eberly Scout Reservation

The Eberly Scout Reservation is located mid-way between Donegal and Somerset off Route 31, one and a half miles south of Bakersville Pennsylvania in the beautiful Laurel Hill State Park. The Reservation has two camps, Camp Conestoga, and Camp Buck Run. These Scout camps have been appraised as two of the best in the country. Camp Conestoga has been in operation for 73 years and Camp Buck Run has been in operation for 74 years. Both camps are certified annually by the Boy Scouts of America to ensure that they meet the most stringent standards and are nothing less than the very best. Camps Conestoga and Buck Run receive an "A" rating each year.

All Scouts in attendance will be in the very best of hands during their stay. A National Camp School Certified Director supervises each area. Each Staff Member participates in a weeklong training program to properly prepare them for their tasks. A resident Health Officer is also on site 24 hours a day, 7 days a week. Nothing has been overlooked! We have made sure that your Scouts will have a **SAFE** and **FUN** experience during their stay with us.

## About this Leader's Guide/How to Prepare for Camp

Scouters who have been camp leaders at Camp Conestoga many years have contributed to the content of this book. They have, through their experience, found what works and what doesn't work. This Leader's Guide is designed to help you. It is geared to inform not only the leader who is sure their unit is coming to Camp Conestoga, but also for the prospective Troop.

In here, you'll find clear descriptions of what Camp Conestoga has to offer in Merit Badge programs, High Adventure activities, Patrol and Troop competition as well as special features. As the camp leader, you can make your job easier if you start to prepare for camp in a systematic manner as soon as you receive this Leader's Guide. First, read this guide from cover to cover to become familiar with the camp program and the mechanics of taking a troop to camp. Also be sure to share this guide with your assistants so they will understand the camp program and be better able to provide leadership as well. Feel free to copy any part of this book and distribute them to Scouts and parents to help your planning.

This Leader's Guide is a guidebook of sorts, in that it collects hundreds of facts and data into a handy reference form. We hope that you will find this Leader's Guide complete. But if some question is not answered, please feel free to contact the Council Service Center of the Westmoreland Fayette Council of the Boy Scouts of America at 724-837-1630.
