

NESA STEM JAMBOREE 2022

UNITED STATES NAVAL ACADEMY

****UPDATE #2****

Dear Scout Leaders,

The date for the Jamboree has been confirmed for **Saturday, April 23rd, 2022** at the US Naval Academy. Optional **tent-only sites** at Camp Letts will be open from Friday evening, April 22nd, till Sunday morning, April 24th. **Overnight campers and those wishing to attend the Keynote Speaker and USNA Admissions brief at Camp Letts will also be responsible for transportation between Camp Letts and the Navy Marine Corps Memorial Stadium on Saturday.** (Parking will be available at the stadium. Additionally, look at the ticketing page for a detailed schedule of events for the day.)

Proof of vaccination/negative PCR tests and masks are no longer required at the Naval Academy. However, as of 3/14, if you desire to attend the Keynote Speaker and Admissions Brief at Camp Letts Saturday night and/or spend the night at Camp Letts, you are still required to show proof of vaccination or a negative PCR test taken within 72 hours to attend. We will inform all participants if this changes.

This year, your scouts will be able to earn two merit badges, with one morning class and one afternoon class. In addition to merit badge courses, we will also be offering lessons in Leadership and on our Yard Patrol Squadron (Yard Patrol vessels are small Navy boats and will be taught in simulators and/or on the boats themselves, pending staffing). Please see the ticket page for a full listing of merit badges and other offered courses. All scouts are welcome to participate in all parts of the Jamboree.

Your scouts will also get the chance to hear from an Academy admissions representative, along with a distinguished guest speaker.
