Make sure that the camp leader has a completed roster when checking in. The camp leader should also turn all early departure forms at this time.
2. Report **as a unit** with medical forms and all medication (including over the counter) to the Health Lodge. NO BUDDY TAGS WILL BE ISSUED without a Health Form.
3. After Medical Check-In, proceed to the Rifle Range with your Assigned Tour Guide.
4. After Shooting Sports Orientation proceed to the Dining Hall.
5. After the Dining Hall, report to the Gazebo for the Chaplain Meeting.
6. When the Chaplain Meeting is complete, report to the pool for the swim test.
7. Return to your campsite and finish any set-up for your campsite.

Troop Financials

During Troop check-in on Sunday all Troops owing a balance for camper fees must submit payment in full to the Camp Director at this time. All Troops should take the necessary steps to complete payment at check-in. (Please have any or all receipts in the event of a discrepancy)

Arrival at Your Campsite

When you arrive in your campsite, the S.P.L. and a designated adult leader will need to review the condition of your camp equipment. If any equipment is severely damaged or you find a shortage of something, please notify the camp office immediately. You should inventory equipment indicating the condition. **You should review your findings with the Site / Area Commissioner during his first daily visit.** Remember you are responsible for the campsite and equipment while your unit is in camp. Tents, flies, and platforms should be in reasonably good condition. Inspect them for tears, holes, etc. If equipment needs minor repairs, camp staff will service it. Unserviceable equipment will be replaced, or alternatives provided. If tents are downed for any reason, campers are asked to help put them back up. Remember, if equipment has to be changed, be patient, everyone will be serviced by the end of the day. Also, remember, the equipment is expensive, TAKE CARE OF IT. Your unit will be charged for damage. If a Scout damages any camp equipment, the Troop is responsible to reimburse the camp for the entire cost.

NOTE: Please be sure your commissioner is aware of any equipment damage as soon as possible. He will be the one who determines what damage your unit may have caused at check-out on Saturday morning. Your unit is responsible for all equipment in the campsites including extra tents etc.

Physical Arrangements

Campsites are equipped with a certain number of tents and platforms based upon the number Scouts times 2 per tent. This number is determined when you pay your final camp fees. If you add to your camp roster after the May deadline it is a good idea to notify the Camp Director as soon as any changes are made, so that we can properly prepare for your arrival. Due to the attendance of certain weeks, we can NOT always guarantee that all leaders will have their own tent. It is also NOT possible for us to promise an extra tent in your site to be used for supplies. If upon arrival in your campsite you find an inadequate number of tents or cots, please notify the camp office immediately. But we must remember to be patient, we will get you the correct amount of equipment as soon as possible DO NOT take matters into your own hands and try to obtain the equipment yourselves.

Troop Meeting

Your Troop should plan a Troop meeting shortly after arrival. At this meeting, you can assign duties, finalize preparation for merit badge sign-up, review camp policies, and plan your schedule for evening activities, flag ceremonies and shower house cleaning.

Camp Tour

ALL SCOUTS will go on a camp tour Sunday evening after dinner. This will give each Scout the opportunity to see where each area is located, meet the counselors, and learn about the merit badges in that area. During the camp tour, the program areas will be open for Scouts to see what is offered in each area. **AFTER DINNER AND COLORS HAS ENDED, ALL TROOPS SHOULD REMAIN ON THE PARADE FIELD, A STAFF GUIDE WILL MEET THEM FOR THEIR CAMP TOUR.**

Sunday Evening Leaders and SPL Meeting

On Sunday, you will attend a meeting that will bring you up to date on things that are happening during your week at camp. You will find out about any changes or new opportunities at camp and get to meet the Camp Staff. All leaders should attend this meeting. It will be held immediately following the evening flag ceremony in the center room of Rohrbacher Lodge. During the leaders meeting all Scouts will be participating in a camp tour. Leaders should come prepared to this meeting with any last-minute questions they might have for either the camp program or management staff.

Senior Patrol Leader's Meeting

On Sunday after Campfire all Senior Patrol Leaders will attend the Leader's Meeting at 7:00 pm, then stay after for approximately 30 minutes to discuss and review Camp Conestoga's housekeeping procedures with the Camp's Commissioner.

As the youth leader of your Troop, you are in a unique position to make your Troop's stay at camp more productive and enjoyable. Prior planning on your part and the utilization of your patrol leaders can improve your stay at camp.

Some of the items that will be discussed at the Sunday Senior Patrol Leader's Meeting are as follows:

1. **Flag ceremony schedule:** Troops will be given a chance to sign up for the flag ceremonies at camp. Pick your top choices for mornings or evenings you would like to lead. Spots fill up fast. Parent's night requires a six-man color guard. Other ceremonies require four.
2. **Questions about the camp?** If you haven't had your questions answered previously, have them ready to ask.
3. **A shower house-cleaning schedule will be announced.** Have your duty roster handy so that you can record your day and time.

The Camp Commissioner will also review the Camp Adventure and True Scout Campsite awards at this time.

Campsite Inspections & Camp Adventure Award

Each campsite will be inspected once a day by the Camp Commissioner. A "Class A Campsite" can also help the troop in earning the "Camp Adventure Award".

Each unit in camp has the opportunity to bring home the "Camp Adventure Award". This unique award will be presented to elite units who have gone the extra mile to participate in the overall program.

(These awards may be changed or retitled without notice by the Camp's administration)
