## Medical Requirements

Each Scout and Adult Leader attending camp must submit a medical form, the **Annual Health and Medical Record** upon arrival during the medical check-in. **Be sure your troop number and campsite are on each Physical Form in the upper corner block!**

**\*\*\* Please place your unit's health form in a binder. Write your Unit number on the binder and ensure the forms are in alphabetical order by their last name, this includes your leaders!**

**ANY person coming to camp without a COMPLETED MEDICAL FORM  
WILL BE SENT HOME!**

All Scouts must use the **Annual Health and Medical Record** which requires a medical examination by a licensed medical doctor once every year. The form must include a doctor's signature and have sections one and two completed.

All adults in camp are also required to have a physical. All Scouters are required to have a yearly physical signed by a medical doctor and recorded on the **Annual Health and Medical Record**.

## Rest

SLEEP can mean the difference between a great or poor week. Each person needs a certain number of hours each night to function properly the next day. The Scoutmaster should ensure that, from 10:00 PM until 6:00 AM, their campsite is quiet so that those who wish to sleep may do so.

## Footwear

NO SANDALS, OPEN-TOED SHOES, OR BOAT SHOES ARE TO BE WORN IN CAMP. You may wear these types of shoes at the pool or in the shower house, but only in those areas. This does not include travel to and from those places. Any camper found wearing illegal footwear, will be sent back to his campsite to change.

***Camp Conestoga is staffed 24 hours a day 7 day a week, by a fully certified medical officer, to render emergency care to anyone one in camp. Contact the main office to obtain medical assistance.***
