

Climbing The Mountain

Westmoreland-Fayette Council
2022 Annual Report

It is often noted that while reaching the top of the mountain is the goal, it is not the part that matters most, rather it is the journey to get to that point. Each step taken or handhold that is grasped, each play a role in the experience that lead us to the stunning view at the mountain top.

In early 2022, the Westmoreland-Fayette Council set off on its journey up the mountainside to ensuring a successful delivery of the Scouting program in Westmoreland and Fayette counties. Along the way there was rough terrain with increased operating costs due to inflation and supply shortages. However, along the way there were some amazing sights such as a successful summer camping program and widely supported special events.

In the coming pages, you will read about the path taken to top of the mountain where the council met the challenge of membership growth for the first time since 2017. Join our crew as we review the trails taken to reach the mountain top.

Mission of the BSA

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

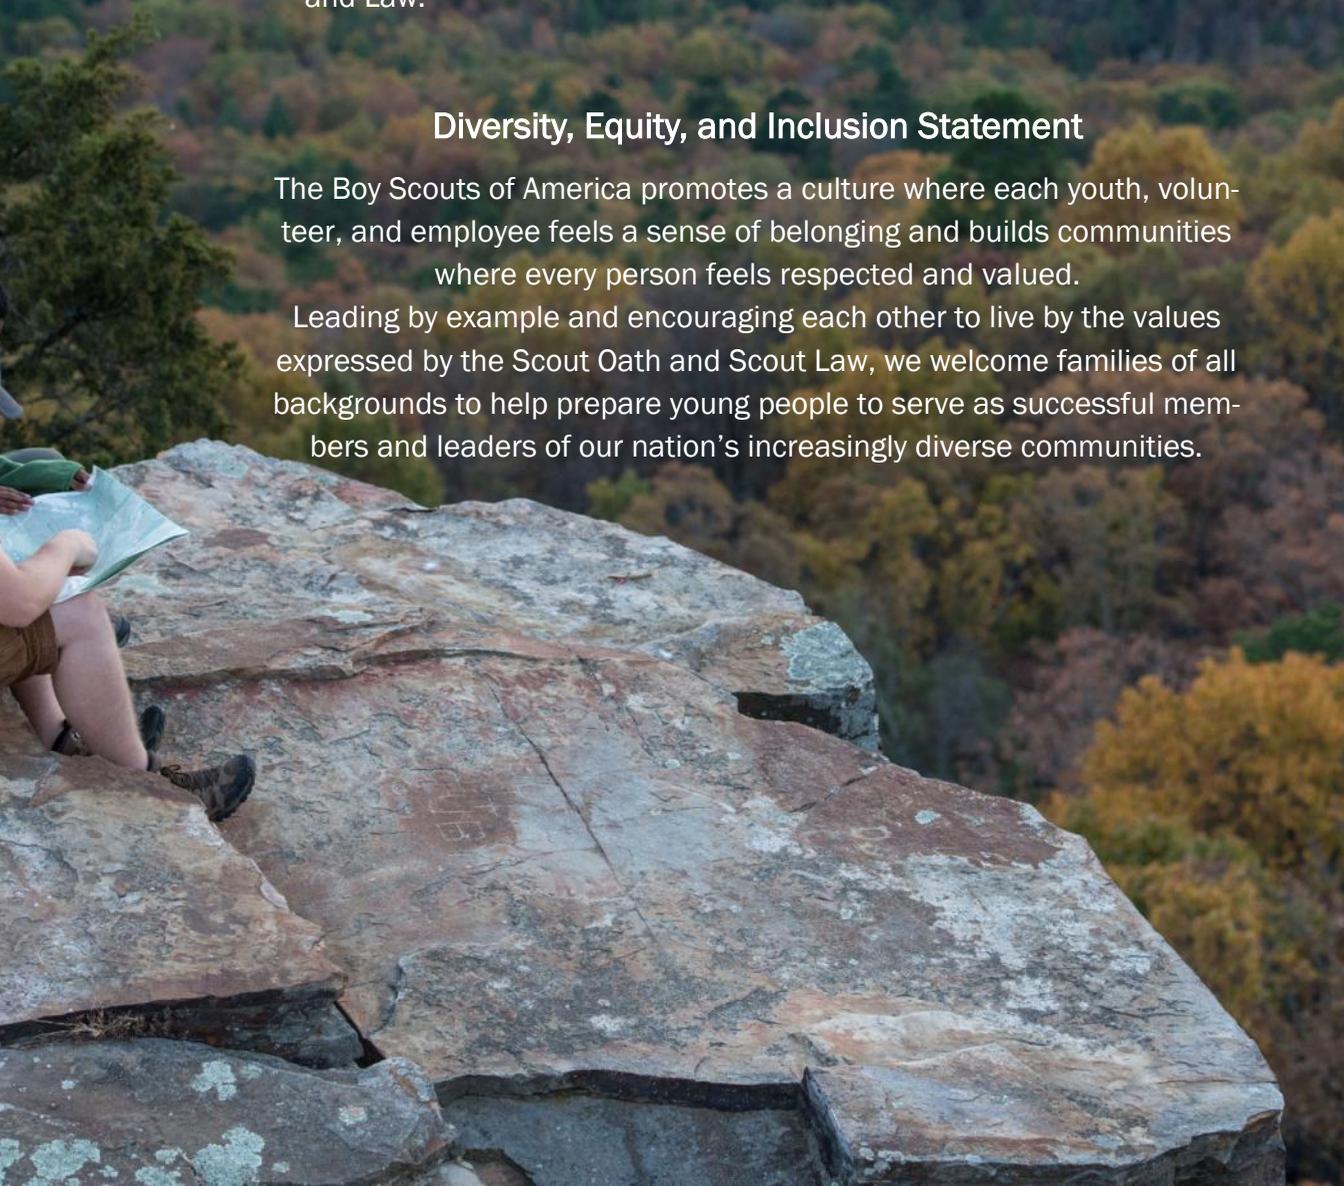

Vision Statement of the BSA

The Boy Scouts of America will prepare every eligible youth in America to become a responsible, participating citizen and leader who is guided by the Scout Oath and Law.

Diversity, Equity, and Inclusion Statement

The Boy Scouts of America promotes a culture where each youth, volunteer, and employee feels a sense of belonging and builds communities where every person feels respected and valued.

Leading by example and encouraging each other to live by the values expressed by the Scout Oath and Scout Law, we welcome families of all backgrounds to help prepare young people to serve as successful members and leaders of our nation's increasingly diverse communities.

Fellow Scouts, Scouters, and friends,

2022 was a year of growth and excitement for Westmoreland Fayette Council. While traces of the effects of the pandemic are still visible, this has been a year of growth and development, showing how resilient the Scouting community is thanks to the values of the Scout Oath and Law.

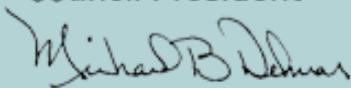

From thriving camping programs at Eberly Scout Reservation to membership growth in our service area and so many other areas of our operations, our volunteer leaders have made the difference in having a measurable impact on the lives of young people in the communities we serve in Westmoreland and Fayette Counties.

Providing meaningful experiences, leadership development opportunities and fun have always been hallmarks of the Scouting program. Ensuring the continuity and growth of these programs with a keen focus on youth safety and sustainability has been the shared focus of both volunteer and professional leadership of our council during 2022.

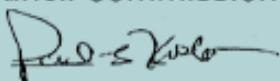

We look forward to continuing to deliver on the promise of Scouting in Westmoreland and Fayette counties because we know the impact it has on the lives of the families we serve. We hope our pride in our Scouts and volunteer leaders is clear this annual report and that you enjoy reading it.

Sincerely,
